— BUSINESS MANAGEMENT · SESSION 2

The Marketing department, from the ground up.

Pedro Bando Rivera, Broker/Owner

PRESENTATION + EXERCISE | BUSINESS MANAGEMENT | SESSION 2

Visión

Triunfar en convertirnos en el **líder local** de la industria enfocado en **humanizar** el sector inmobiliario, aprovechando la innovación, la inversión y el crecimiento, mientras seguimos siendo un **recurso para la comunidad**.

STORY TIME

Nobody remembers you after one post.

Three times to the same person beats once to everybody.

Nadie se acuerda de ti después de un post. Tres veces a la misma persona le gana a una vez a todo el mundo.

RESEARCH · PEOPLE NEED AT LEAST 3 EXPOSURES BEFORE AN AD STARTS TO STICK (KRUGMAN; GOOGLE)

RETHOUGHT REAL ESTATE · RELEARN · BUSINESS MANAGEMENT

TWO WEEKS AGO · YOU'RE THE CEO

Four Departments. Today We Open One.

You already built the tools. Today is the why under the tools.

TODAY

1-TO-MANY

Marketing

Attention, many people at a time

Helping the **right person** raise their hand and say, **“That’s me.”**

CONVERT

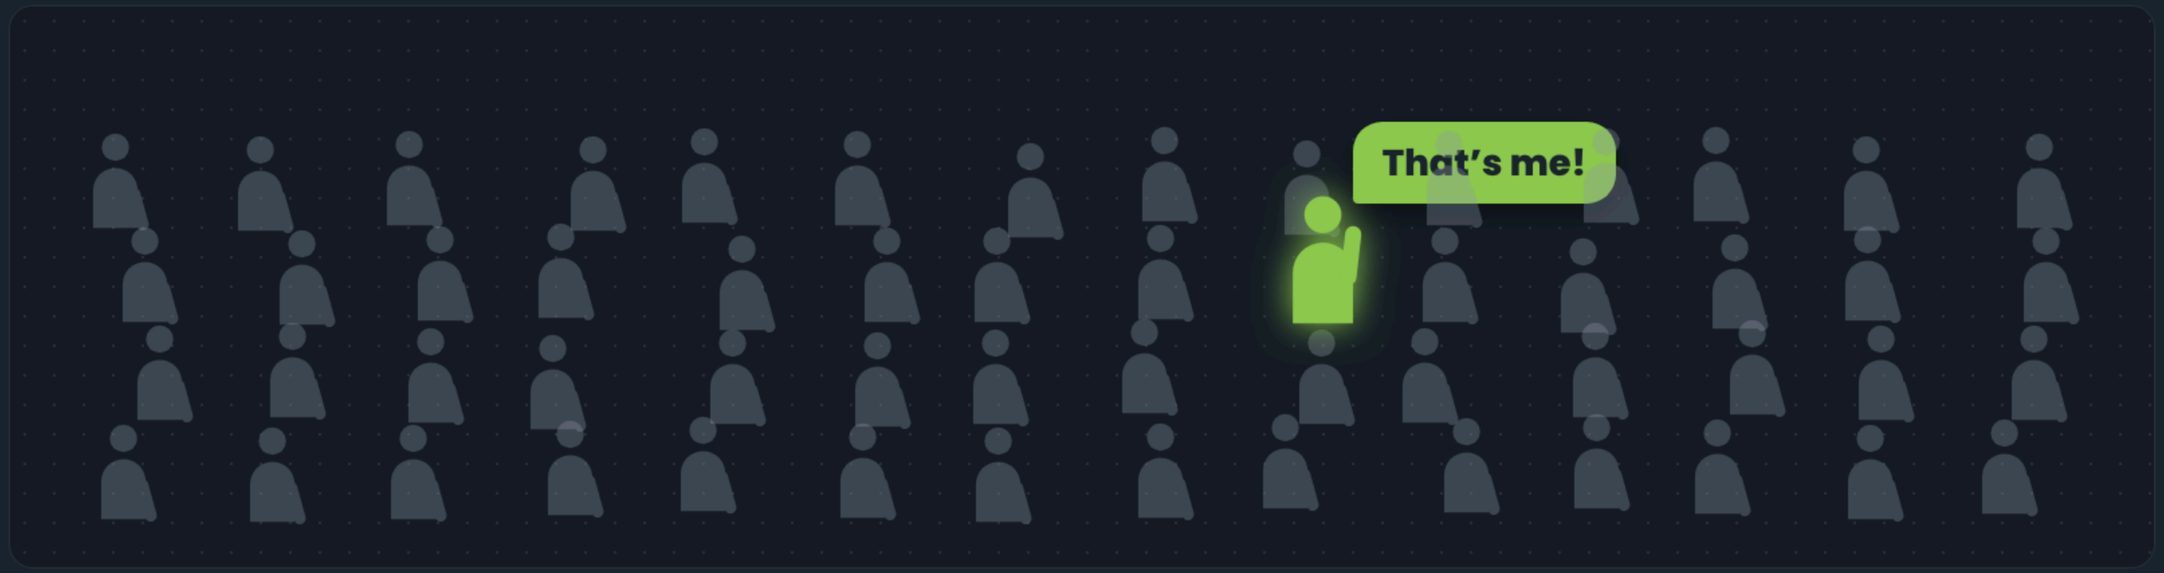

Sales

Conversations into agreements

— WHAT MARKETING IS

Helping the right person say, “That’s me.”

Most people keep walking. That’s okay. We weren’t talking to them.

🍕 **Bait you like.** Pizza is great. The fish doesn’t care.

🪱 **Bait the fish likes.** Post what **your person** needs, wants and worries about.

— THREE WORDS, MADE SIMPLE

Marketing. Sales. Ads. Not the Same Thing.

MARKETING

Raise a hand

Gets the **right person** to say, “That’s me.”

SALES

Say yes

Helps that person **decide**. The talk, the consult, the agreement.

ADS

A megaphone

You pay so **more people** hear the message.

A megaphone makes a message **louder**. It doesn’t make it **better**. Message first, megaphone second.

Un megáfono hace el mensaje más fuerte. No lo hace mejor.

— HOW MANY TIMES?

One Post Is Never Enough.

People need to see you again and again before they remember you, and longer before they trust you.

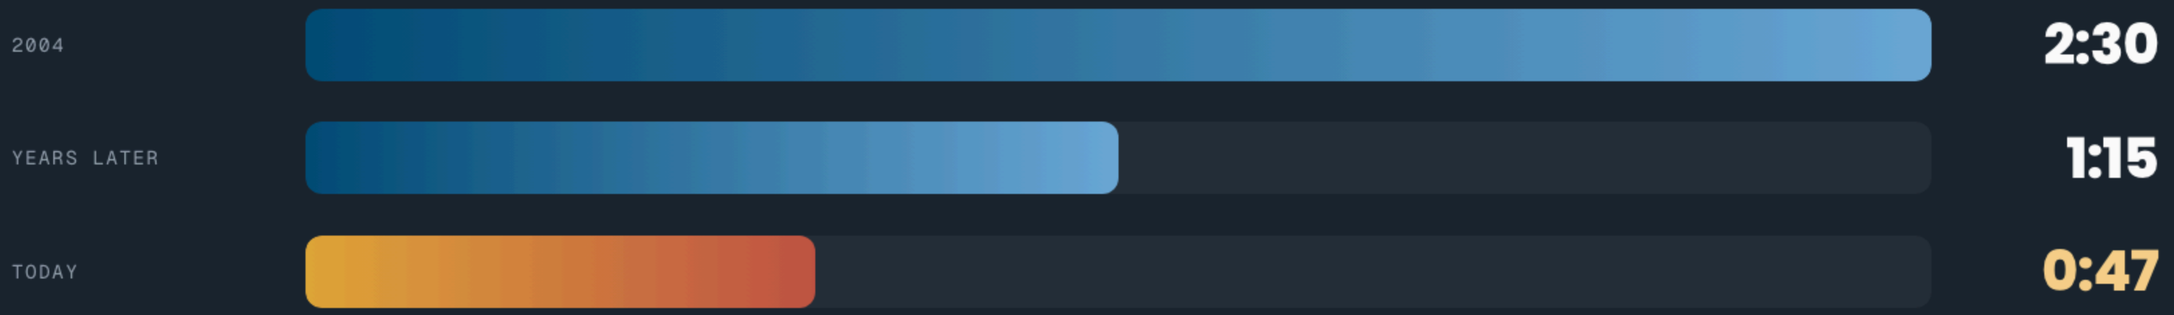

Showing up is the job. Consistent beats viral.
Aparecer una y otra vez es el trabajo.

3 = KRUGMAN & GOOGLE AD-FREQUENCY RESEARCH · 7 = MARKETERS' RULE OF THUMB

HOW A BRAIN ON A SCREEN WORKS

Attention Keeps Getting Shorter.

Average time people stay on one screen before they switch.

We don't get more time. **We get better at using the time we get.**

No vamos a tener más tiempo. Vamos a usar mejor el que nos dan.

— WHAT HAPPENS IN TWO SECONDS

Three Silent Questions. In This Order.

Nobody says them out loud. Every brain asks them anyway.

0.0s — Thumb on the screen — ~2.0s

FIRST · ~0.5s

Is this about me?

If the answer is no, the thumb keeps going. Nothing else gets read.

SECOND · ~1.0s

How does it make me feel?

Seen. Hopeful. Curious. A little worried. Feelings come before facts.

OVER TIME

Do I trust this person?

Built slowly, post after post. That's why showing up matters.

Me first. Feelings second. Facts later. People buy homes with the heart, then use facts to feel good about it.

Yo primero. Sentimientos segundo. Datos después.

— LIVE EXERCISE

Write One Post for Your One Person.

12 minutes

1

Your person

One sentence: who, where, and what they're afraid of.

```
My person is ______ in ______, afraid
that ______.
```

2

Their stop

Where are they on the road right now?

```
□ Far away
□ Getting close
□ Ready
```

3

Their 3 questions

What do they type into Google at 11 PM this month?

```
1. ______
2. ______
3. ______
```

4

One post

Pick one question. First line calls your person. Answer in 3 short lines.

```
"______?"
Here's what to know…
```

> At minute 10, two volunteers read their **first line** out loud. Nobody gets judged. Everybody gets helped.

— AI SHORTCUT

Use AI to Plan a Week of Posts for Your Person

Copy this prompt. Paste it into Claude or ChatGPT with your avatar doc. Fill the brackets from the exercise.

COPY · PASTE INTO YOUR AI PROJECT — CLAUDE / CHATGPT / GEMINI

```
You are my real estate content coach. Use my avatar document in this project.

My person: [one sentence: who, where, what they're afraid of]. Their stop right now: [far away /
getting close / ready]. The 3 questions they're asking this month: [1] [2] [3].

Plan 3 posts for this week. One question per post. For each post give me: (1) a first line that calls
my person in under 10 words, (2) 3 short lines that answer the question in plain 5th-grade language,
(3) the words to put on screen, (4) the size: 9:16 for a Reel or Story, 4:5 for the feed, (5) one soft
call to action. Talk to the person, not about the topic. Fair Housing safe language. Never invent
numbers. Write it in English and Spanish.
```

This only works if your avatar is locked. Fuzzy person in, fuzzy posts out.

BEFORE YOU LEAVE · SAY IT OUT LOUD

Two Commitments. One Person.

COMMITMENT 1

Lock your person

Finish it and put it in your AI project, so every tool knows who you're talking to.

- ✓ One-sentence avatar
- ✓ Their stop on the road
- ✓ Their 3 questions this month

COMMITMENT 2

Three posts this week

Each one answers one question your person is asking right now.

- ✓ First line calls your person
- ✓ Words on screen
- ✓ Right size: 9:16 or 4:5

OCT 20

Next Tuesday, bring **one of your three posts**. We'll look at them together and make them even better.

People will forget what you said, people will forget what you did, but people will never forget how you made them feel.

MAYA ANGELOU

La gente olvidará lo que dijiste y lo que hiciste, pero nunca olvidará cómo la hiciste sentir.

One person. Three posts. See you Tuesday, October 20.
