STORY TIME

I didn't get a license. I started a business.

My broker taught me the difference.

— YOUR ORG CHART

Four Departments. **Every Box Says You.**

You're a company of one with four jobs. Most agents only show up for one of them.

Most agents only staff **Sales**. The other three boxes sit empty until the pipeline dries up.

— HOW IT CONNECTS

Four Departments. One Engine.

Each department feeds the next one. Skip one and the whole thing stalls.

When the loop runs, **year three is easier than year one.** When it doesn't, every month starts at zero.

Cuando el ciclo corre, el tercer año es más fácil que el primero.

Business Development. **One Person at a Time.**

The people you know, the people they know, and the partners who send you business.

01 Sphere and past clients

Home anniversaries and market updates about their home, not a "just checking in" text

02 Referral partners

Lenders, attorneys, inspectors and builders who send you clients

03 Open houses

Face to face with neighbors and buyers who don't have an agent yet

04 Follow-up

Every conversation logged in Lofty, with the next touch on the calendar

05 Community

Show up where your people already are: events, church, school, sports

THE NUMBER

Conversations per week

Real two-way conversations. Likes don't count. A text left on read doesn't count.

EXAMPLE WEEK • 12 CONVERSATIONS

RUNS ON **Lofty** **Phone** **Calendar**

HEAD **You**

Marketing. **Many People at a Time.**

Getting in front of people who don't know you yet, and giving them a reason to raise their hand.

01 Brand
The same photo, bio and message everywhere people find you

02 Content
Posts and reels built on the six frameworks from Session 1

03 Offer and lead magnet
A reason to raise a hand. You built it in Session 2

04 Meta ads and ManyChat
Cold, retarget and keyword DMs from Sessions 3 to 8

05 Handoff
Every new lead in Lofty the same day

THE NUMBER

Cost per conversation

Dollars spent to get one real buyer or seller talking to you. Views and likes don't count.

$$\begin{array}{c} \$150 \\ \text{SPENT ON ADS} \end{array} \div \begin{array}{c} 10 \\ \text{CONVERSATIONS} \end{array} = \begin{array}{c} \$15 \\ \text{PER CONVERSATION} \end{array}$$

EXAMPLE · THE SESSION 7 SCOREBOARD

RUNS ON Meta Ads Manager ManyChat Lofty

HEAD You

Sales. Conversations Into Contracts.

Everybody likes this department. It only works when the other three feed it.

- 01 Speed to lead**
Answer fast and set the appointment while they still care
- 02 Buyer consultation**
A signed Buyer Broker Agreement before the first showing
- 03 Listing presentation**
A price, a plan and a signed listing agreement
- 04 Showings and offers**
Complete offer packages, presented the same day
- 05 Negotiation and follow-up**
Stay on it until they sign or tell you no

THE NUMBER

Signed agreements

Buyer and listing agreements signed this month. Appointments feel like progress. Signatures are the business.

RUNS ON Lofty pipeline dotloop

HEAD You

Admin. Clean Deals. Known Numbers.

Nobody posts about this department. It protects everything else.

01 Transactions
Every document in dotloop when it happens, not the night before closing

02 CRM hygiene
Stages, notes and next tasks current in Lofty

03 Compliance
The Standard on every file, every time

04 Money
A budget, a monthly P&L, and taxes set aside every time you get paid

05 Calendar
Planned every Monday, with a block for every department

THE NUMBER

Your monthly P&L

What came in, what went out, what you set aside, and what's left. Plus zero missing documents in dotloop.

Came in	\$9,000
Business expenses	-\$1,500
Set aside for taxes	-\$2,000
Yours to keep	\$5,500

EXAMPLE MONTH • ASK YOUR CPA FOR YOUR TAX PERCENTAGE

RUNS ON dotloop Lofty Office 365

— DIAGNOSIS

When a Department Closes, **You Feel It.**

You can't really close a department. You can only stop showing up for it. Here's what that costs.

BUSINESS DEVELOPMENT

Feast or famine.

Your pipeline runs on luck, and past clients call another agent when it's time to sell.

MARKETING

Nobody new knows you sell homes.

Your business only grows as fast as your contact list.

SALES

Leads go cold.

You pay for conversations and never get the signature.

ADMIN

Deals and money slip away.

Missing files at closing, a pipeline you can't see, and a tax bill you didn't plan for.

— TIME BLOCKING

The CEO Week. **One Block per Department.**

■ BUSINESS DEV 13 H ■ MARKETING 3 H ■ SALES 22 H ■ ADMIN 3 H

Appointments will fill your afternoons on their own. **Nothing fills your mornings unless you put it there.**

LAB TIME

Now We Work.

Real numbers only. Nobody gets judged. Everybody gets helped.

01

Where is everyone

Your Marketing Machine step and your five pipeline numbers

02

What's next for marketing

Four options. One team vote.

03

Next steps

Two commitments for the next two weeks

Marketing Machine. **What Step Are You On?**

Say the highest step you've fully finished. Not almost. Finished.

Your Pipeline. Five Numbers, Out Loud.

From Lofty and dotloop, not from memory.

Number 5 minus number 4 is your gap. **That gap is what the next 93 days are for.** Don't know one of these numbers? That's your Admin department talking.

What's Next for Marketing? **We Pick Together.**

One vote each. Whatever wins is what we build in the next sessions.

BD + MARKETING

Two Commitments. Two Weeks.

Nobody leaves this room without both.

COMMITMENT 1

Your marketing move

One move you finish in the next two weeks. Which one depends on where you are on the ladder.

- STUCK Finish your next ladder step
- FINISHED Start the option the team picked

COMMITMENT 2

Your one number

Pick the department that hurts most and track its number every week.

- BD Conversations per week
- MARKETING Cost per conversation
- SALES Signed agreements
- ADMIN Your monthly P&L

Put both in **Lofty as tasks with a due date** before you leave. On Tuesday, October 13, we check both.

CLAUDE / CHATGPT / GEMINI

You are my real estate business coach. My business has 4 departments: Business Development (1-to-1 relationships), Marketing (1-to-many attention), Sales (signed agreements), Admin (files, CRM, money, calendar).

My numbers today: Marketing Machine step finished [1 to 7] · Buyers under agreement [] · Active listings [] · Under contract [] · Closed in 2026 [units, GCI] · 2026 goal [units, GCI]. My marketing move: []. The department that hurts most: [].

Build my next 2 weeks as a time-blocked calendar, Monday to Saturday. Give every department its own block. Schedule my marketing move and a weekly check of that department's number. Keep it realistic for a solo agent. Answer in [English / Spanish].

This only works with real numbers. Guesses in, guesses out.
